Newsletter No.11 19 July 2023

Greetings, Haere Mai, Talofa, Namaste, Ni hao, Hoe gaat het, Kamustan.

Welcome to term 3. I trust everyone rugged up warm over the holidays and spent some quality time together. We have a very busy term ahead of us with many activities on offer and opportunities for you to see your children in action.

We would like to welcome the following pupils and families to Riverton Primary; Alisha-Rose Robertson, Anna Shearing, Nathanael Li and Naomi Poa.

There are a few changes in dates of sports options and events taking place this term. The changes have been out of our control, sorry. Please have a look at the dates below to make sure you don't miss out on any events.

Assemblies at the start of this term will be in week 1 then 4, and thereafter 6, 8 and 10. We encourage all families to join us to celebrate the children's work and achievements at our assemblies.

Free School Lunches are provided to all pupils at Riverton Primary. We would like to encourage any lunchboxes brought to school with snacks in that there is only one packet option available for your child. We recycle all waste and that includes the single use wrappers the children bring to school. I have asked teachers to check all lunchboxes at regular intervals so we can monitor the single packet use only at school. Your support will be greatly appreciated.

Kidspace Support

We would like to thank Sharon Wilson for her years of service and cover at Kidspace. The children really enjoyed their time with you. Thanks for always being available to cover Josy or be the extra help when we had large numbers of children at Kidspace. Sharon has handed in her resignation letter and will be retiring from Kidspace.

We are looking for a replacement for Sharon. This will only be a position to help Josy out when needed or if she is away for any reason. It would be a casual position for someone who would like to help out at Kidspace when we need it. If you are interested in any way please contact Tim Page at school.

The children were treated to the Waste Free Wanda show yesterday. The main message was what is rubbish, where it should go and what to do with the waste.

SUMMER FOOTBALL 5 ASIDE LEAGUE

The Winton Football Club will be organizing this popular competition again so start forming your teams now – yrs 1-5 and yrs 6-8 sections for primary school and adults section which we will look at having two sections, competitive and social, dependent on entry numbers. The start date will be the first week of Term 4 on Thursday 12 October. Entries will be called for later in the term. Any enquiries to 5aside.wintonfootball@gmail.com

RIVERTON POOL BOILER PERSON REQUIRED

paid role

Sadly we've lost Peter, our extremely efficient and very talented boiler person and for the up-coming season we require an independent boiler person to operate all aspects of heating the pool, testing the water and maintaining the oil supply. Boiler duties take about an hour to an hour and a half each day, including water testing. Full training given, including water treatment courses. Ideally suit semi or retired person with a passion for tinkering. It is not hard work, but daily work that requires commitment and reliability. It is vital that this role is filled as we will NOT OPEN without it being filled. For more information ring Cath Oakley 032348624
